

Beach FC 2011-2012 Coaching Slate

Beach FC is pleased to announce the 2011-2012 Coaching Staff. Our staff consists of Nationally Licensed Coaches, former World Cup players, former professional players, former college players, and High School coaches. Beach FC feels that our coaches that are in the “trenches” working with our players on a daily and weekly basis are the cornerstone of our success. The number of coaches on staff that have professional playing experience and collegiate playing experience is something we are proud of as a club. When you couple that playing background with coaching education, our coaches become very well rounded individuals who can impart that knowledge onto their players.

If you have questions about the coaching slate, please contact the following directors:

Mark Waite - Boys Director of Coaching - docboys@beachfc.com

Karl Greaves - Girls Director of Coaching - docgirls@beachfc.com
